

Hands-on History
Pre-visit Information

ROSIE THE RIVETER: CARVER COUNTY DURING WWII

Our staff member will visit your classroom on _____.
They will arrive at _____. They will depart at _____.

Program Summary: Explore life in Carver County during World War II as we meet Rosie, a mother and wife of an army infantryman who takes a job in a munitions box factory during the war. Students will experience her life during the war through words, photos, posters, and objects and will discover the impact WWII had on the homefront.

Vocabulary/Concepts: The following words and terms will be used in the program. It would be helpful if your students were introduced to these prior to their participation in the program. This will help your students to gain a better understanding of the concepts in the lesson.

World War II (including the major players and the countries involved)
Homefront
Rationing
Telegram
Ammunition
Red Cross
War bonds

Nametags:

Please have each student wear a nametag. This will help the staff member call on students and personalize their experience.

We look forward to visiting your classroom. If you have further questions, please feel free to contact our Education Coordinator at (952) 442-4234.
